RED SOX HITTERS RANK HIGH

Only four active American League players have made more than 1500 hits during their careers, and three of these are members of the Boston Red Sox! With the retirement of Joe DiMaggio, Wally Moses and our own Bobby Doerr, Johnny Mize takes over the lead in lifetime hits among currently active players with 1949 safeties in 13 seasons. The bulk of these hits was made during his 11 years in the National League, whereas the Red Sox stars—Ted Williams, Vern Stephens and Dom DiMaggio banged theirs off American League pitchers. Ted has 1763 hits in ten years, for the best average among active players; Vern has stroked 1588 in ten seasons, and Dom has rolled up a total of 1536 during his nine years of playing. Another Red Sox boy, Johnny Pesky, ranks ninth on the list with 1267 safeties in seven seasons in the majors.

The lower lefthand corner of the scoring block should be considered as home plate. Progress is counter-clockwise with progress to first base indicated in lower righthand corner, to second in upper righthand corner, to third in upper lefthand corner and to home in lower left. In example to left, batter reached first on an error by the second baseman, stole second, went to third on a wild pitch and scored on a passed ball. It is convenient to circle all runs as shown so that scoring plays may be seen at a glance.

WHEN IS A GAME COMPLETE?

The following excerpt from the Official Baseball Rules is for the information of the fans:

"4.10 IT IS A REGULATION GAME WHEN—

- (a) The home team shall have scored more runs in eight innings than the visiting team has scored in nine innings;
- (b) The home team scores the winning run in the ninth inning before the third man is out. If a batter in the last half of the final inning of a game hits a home run over the fence or into a stand, all runners on base at the time, as well as the batter, shall be entitled to score, but to score legally, all bases must be touched in order by all runners. The final score of such game shall be the total number of runs made by each team;
- (c) If the score is even at the end of nine completed innings, play is continued until one team has scored more runs than the other in an equal number of innings; provided, that if the home team scores the winning run before the third man is out in any inning after the ninth, the game shall terminate and be a regulation game;

(d) Terminated by the umpire on account of rain, or darkness, or other cause which makes further play impossible, provided five or more innings have been played, or the home team has scored more runs in four innings, or before the completion of its fifth inning, than the visiting club has scored in five completed innings;

- (e) The umpire terminated play after five full innings have been completed, and the score of such game shall be that at the end of the last completed inning. If, however, the home team shall have scored more total runs than the visiting team when the game is terminated while the home team is at bat, the score of such game shall be the total runs scored by each team. Also, when a game is terminated after five full innings have been completed, with the visiting team at bat and the home team ahead, the score shall be the total number of runs scored by each team at the time the game is terminated."

"4.11 A REGULATION DRAWN GAME shall be declared by the umpire-in-chief if he terminates play because of rain, dark-

ROBERT PERSHING DOERR

For the first time in fifteen years, the Red Sox take the field this spring without the services of Bobby Doerr. As our fans know, Bob retired from baseball at the close of the 1951 season after a back injury had begun to impede his playing. Bob spent his entire major league career, which began in 1937, with the Boston Red Sox, and during these years has deservedly won the affection and admiration of baseball fans the country over for his fine record at second base and his unselfish devotion to the national game. Now that Bobby has hung up his playing shoes and retired to his ranch in Oregon, other youngsters will come along as he did to play his position and gain recognition in their own right. But Bob, who wore the Red Sox uniform longer than any other player in the annals of the team, will join the ranks of players who will always be remembered as a permanent part of Red Sox history.
